Cholesterol esters to total lipid ratio (%)
Free cholesterol to total lipid ratio (%)
Phospholipids to total lipid ratio (%)
Total cholesterol to total lipid ratio (%)
Triglycerides to total lipid ratio (%)
2
Cholesterol esters to total lipid ratio (%)
Free cholesterol to total lipid ratio (%)
Phospholipids to total lipid ratio (%)
Total cholesterol to total lipid ratio (%)
Triglycerides to total lipid ratio (%)
3
Cholesterol esters to total lipid ratio (%)
Free cholesterol to total lipid ratio (%)
Phospholipids to total lipid ratio (%)
Total cholesterol to total lipid ratio (%)
Triglycerides to total lipid ratio (%)
4
Cholesterol esters to total lipid ratio (%)
Free cholesterol to total lipid ratio (%)
Phospholipids to total lipid ratio (%)
Total cholesterol to total lipid ratio (%)
Triglycerides to total lipid ratio (%)
5
Cholesterol esters to total lipid ratio (%)
Free cholesterol to total lipid ratio (%)
Phospholipids to total lipid ratio (%)
Total cholesterol to total lipid ratio (%)
Triglycerides to total lipid ratio (%)
6
Cholesterol esters to total lipid ratio (%)
Free cholesterol to total lipid ratio (%)
Phospholipids to total lipid ratio (%)
Total cholesterol to total lipid ratio (%)
Triglycerides (mmol/l)
7
Cholesterol esters to total lipid ratio (%)
Free cholesterol to total lipid ratio (%)
Phospholipids to total lipid ratio (%)
Total cholesterol to total lipid ratio (%)
Triglycerides to total lipid ratio (%)
